#### Claim I

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

I meet these Radio DJs in the year of 1998. They been saying want me to be famous and making movies with them as excuse to harassing me, on the air, they been spying on me taking my private life into their reality Radio Show in everyday... No matter how I complaint to them, they would not stop the harassment on air and spying against me, so I posted on social media as evidence to public, in 2002, if they continue doing this, I will charge them \$3 billion and on top of it over \$3 million dollar for each day as my wages, I also will prosecute them... However, the harassment on air never been stopped and still continuously to present... The total wage claim is over \$25 Billion dollars....

**Claim II**

In 2003 and 2008, I committed a crime "threat to bomb" and I also crashed my car into the radio business, because of the insanity caused by their Harassment and illegal spying... The radio DJs were prejured and lie to the police report, and hearing, I was in jail and being under the PSRB for 14 years... I couldn't get the right treatment for my depression in last 20 years, because of the radio DJs wrongful reports...
